INTERVIEW SUMMARY

S I R :

An interview was conducted on February 19, 2009. During the telephone interview, Applicants' representatives argued that claims 1-9, 11, 12 and 23-27 which were rejected under 35 U.S.C. 112, first paragraph are supported in the specification. Specifically, Applicants argued that support for these rejected claims can be found on at least pages 25 and 26 of the specification. After reviewing the specification, the Examiner agreed that the claims are enabled, by the specification, and stated that the 112 rejection will be withdrawn.

Respectfully submitted,

Jacques L. Etkowitz, Reg. No. 41,738
Attorney for Applicants
